OFFICE POLICY

We appreciate your confidence in choosing this practice. Please note our office financial policy:

<u>CO-PAYMENTS:</u> Co-payments are required by your carrier each time you are seen in this office. This must be paid prior to being seen by a doctor. We accept cash, checks and major credit cards (MasterCard, Visa, American Express). If you are not prepared to pay at the time of service, there will be a \$20 service charge imposed.

<u>CANCELLATIONS:</u> Cancellations of office visits within 24 hours of a scheduled appointment will be imposed a \$50 charge; procedure cancellations within 48 hours of the scheduled procedure will be imposed a \$150 charge.

<u>REFERRALS:</u> If you are required by your insurance carrier to have a referral, you must have it at the time of service. If not, you will be financially responsible for the fees involved.

It is the responsibility of the patient to be familiar with their insurance policy. It is impossible to get any guarantee of payment until a claim is submitted. Therefore, the patient is liable for any charges that are not covered under their contract.

<u>MEDICAL RECORDS:</u> All requests for medical records must be in writing. Upon receipt of such request, records will be available within 10 days.

<u>PRESCRIPTIONS:</u> All requests for prescription renewals should be left on the office's prescription renewal line, which can be accessed through the main office number. All prescriptions will be processed within 48 - 72 hours. If your prescription is with a mail away company, it is the patient's responsibility to mail the written prescription.
